Mission of the Weekend

Affair Recovery Center is a community of counseling professionals and couples. Our professional counselors are dedicated to the restoration of marriages crippled by infidelity.

Our organization includes numerous couples who have experienced the abundant blessings of reconciliation and renewal. Our mission is to offer hope, support, and recovery for couples and individuals who have suffered the pain resulting from infidelity, betrayal, or sexual addiction.

We have helped with the restoration of hundreds of marriages that were damaged by betrayal, and this weekend is designed to help your marriage, too.

Many of our former clients now work with us to offer hope to struggling couples. With a bit of work, we believe that your marriage can emerge even stronger and more satisfying than it was before the betrayal.

The weekend will help you put your marriage back on track by helping you re-establish intimacy in your relationship, work through the pain of the betrayal, and find healing and forgiveness. Believe it or not, your marriage can actually emerge stronger than it was before the betrayal!
